The score is 51/100

Fast rendering

Generate screenshots in a matter of seconds. Never busy, so there's no waiting in line. Rendering starts immediately and is finished quickly.

Accurate screenshots

Using two different rendering techniques, we ensure that the screenshots and website thumbnails are always generated properly. If one method fails, the second always succeeds.

description	Some people recharge in conversation. Others recharge in silence. There's no right way to connect — but not everyone thrives on group chats, constant notifications, or loud productivity tools. For many introverts, real connection comes from moments that don't ask for much. And the right digital tools can be surprisingly helpful to care about the [⋮]
