# Website review med-microbiology.com

Generated on April 07 2025 18:34 PM

The score is 45/100

## Fast rendering

Generate screenshots in a matter of seconds. Never busy, so there's no waiting in line. Rendering starts immediately and is finished quickly.

## Accurate screenshots

Using two different rendering techniques, we ensure that the screenshots and website thumbnails are always generated properly. If one method fails, the second always succeeds.
