## How to Increase Instagram Followers

Instagram is one of the best ways to increase your social media presence. The platform allows you to share images, videos and text with the public in a matter of minutes, and the posts are highly shareable.

There are different strategies to using Instagram to grow your business. You can post content that is relevant to your specific brand, or you can create a series like BuzzFeed's "The Try Guys" YouTube channel.

Both are popular types of content that will help you gain followers on Instagram.

If you're not using all available tools, then you could be missing out.

## Optimization

	XML Sitemap	<p>Missing</p> <p>Your website does not have an XML sitemap - this can be problematic.</p> <p>A sitemap lists URLs that are available for crawling and can include additional information like your site's latest updates, frequency of changes and importance of the URLs. This allows search engines to crawl the site more intelligently.</p>
	Robots.txt	<p>Missing</p> <p>Your website doesn't have a robots.txt file - this can be problematic.</p> <p>A robots.txt file allows you to restrict the access of search engine robots that crawl the web and it can prevent these robots from accessing specific directories and pages. It also specifies where the XML sitemap file is located.</p>
	Analytics	<p>Missing</p> <p>We didn't detect an analytics tool installed on this website.</p> <p>Web analytics let you measure visitor activity on your website. You should have at least one analytics tool installed, but It can also be good to install a second in order to cross-check the data.</p>
