Fast rendering

Generate screenshots in a matter of seconds. Never busy, so there's no waiting in line. Rendering starts immediately and is finished quickly.

Accurate screenshots

Using two different rendering techniques, we ensure that the screenshots and website thumbnails are always generated properly. If one method fails, the second always succeeds.

description	Some things just make sense the moment you use them. You didn't plan to fall in love with that perfect pen or the shortcut you use every morning — it just happened. The same goes for apps that actually help, not because they're loud about it, or promise to change your life, but because they [⋯];]
